RESPONSE

In response to the Office Action of October 21, 2008, Applicant responds as follows:

REMARKS

The Office Action of October 21, 2008 was received and carefully reviewed. Reconsideration and withdrawal of the currently pending rejections are requested for the reasons advanced in detail below.

Claims 1, 3, 5-15, 17-24, 27, 28 and 31-34 are currently pending in the instant application, of which, claims 7-12 and 19-24 are withdrawn.

Claims 1, 3, 5-6, 13-15, 17-18, 27-28, and 31-32 are solely provisionally rejected on the ground of nonstatutory obviousness-type double patenting as being unpatentable over claims of co-pending Application Nos. 10/771,421; 10/771,277; 10/772,419. Applicant respectfully requests that these rejections be held in abeyance until otherwise allowable claims are designated in the instant application. A Terminal Disclaimer relating to co-pending Application Nos. 10/771,421; 10/771,277; 10/772,419 is hereby submitted to overcome this rejection.
